RESIDENTS OF SEGUIN

FREE Home Pickup For Household Hazardous Waste

(Paint, Car Batteries, Used Oil, Poisons, Spray Cans, and More!)

Step 1

**Resident calls the HHW Hotline
1-800-HHW-PKUP to request a collection:**

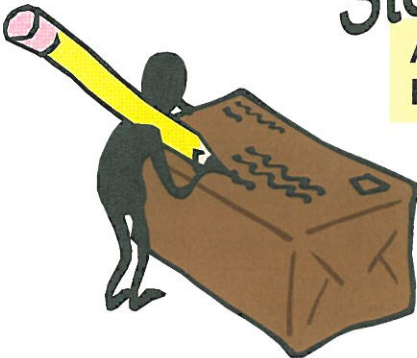

When a resident calls our Household Hazardous Waste Hotline (1-800-449-7587), several questions are asked including the caller's address, and the type and amount of materials they have for collection.

Step 2

**A collection date is scheduled and an
HHW Kit is shipped:**

A pickup date is scheduled over the phone based on the next available collection day. The program is fully explained at the time. An HHW kit is sent to the resident's home prior to the collection date. The kit can hold up to 75 pounds of HHW securely inside.

Step 3

HHW material is collected:

On the scheduled date our team will collect the eligible materials directly from the resident's home. Participants will receive a postage-paid survey card to be completed and mailed to Seguin to help track the program.

Step 4

**HHW is transported to the appropriate
facility for recycling or disposal:**

Materials will be sorted and packed for proper disposal.

Available ONLY To Residents Located Within the Seguin City Limits.
